

# INQUEST FRIDAY INTO DEATH OF MRS. SEYMOUR

An inquest into the death of Mrs. Margaret Seymour, 42, of 31 East Middle street, killed in a fall from a moving automobile on the Lincoln highway three miles east of Gettysburg at 1:45 o'clock Monday morning, will be held at the court house Friday afternoon at 3:30 o'clock, Dr. C. G. Crist, Adams county coroner, announced today.

State police of the Gettysburg substitution and Dr. Crist, on two occasions, questioned other occupants of the automobile in which Mrs. Seymour was riding, but refused to divulge the results of their questioning until after the inquest.

Mrs. Seymour, in company with Albert Paxton Kuykendall, 34, of 34 North Franklin street; Doris Elizabeth Kemper, 34, 15 Fifth street, and Robert Lee Koonz, 33, of East Railroad street, was returning from Hanover, where police said they had visited a club Sunday night.

The dead woman fell from the automobile driven by Koonz, and died almost immediately of a fractured skull and broken neck. She was dead before her arrival at the Warner hospital, where she was rushed by her companions.

Mrs. Seymour came here several years ago from West Virginia, where her parents, Mr. and Mrs. Andrew J. Wilson reside.

Funeral services Wednesday at 2 p.m. from the Bender funeral home conducted by Rev. Robert C. Schiebel. Arendtsville, with interment in Evergreen cemetery. Friends may call at the funeral home this evening after 7 o'clock.

# SHEADS TELLS COUNTY'S PART IN REVOLUTION

The story of Captain Michael Doude's company of Adams countians in the American Revolution was recounted for members of the local chapter of the Daughters of the American Colonists Monday evening by J. Melchor Sheads, president of the Adams County Historical society and member of the faculty at Gettysburg high school.

Mr. Sheads traced the distinguished record of the company, which was recruited at Samuel Gettys' tavern where Gettysburg now stands, on June 24, 1775, through its march to join Washington at Boston and through its services in most of the important battles of the American war for independence.

After receiving its first baptism of fire near Bunker Hill, July 29, 1775, the company "served with distinction in all the important battles fought in the middle colonies, including Long Island, White Plains, Trenton, Princeton, Brandywine, Germantown and Monmouth," Mr. Sheads said.

Made Trip On Foot The speaker noted that the company from what later became Adams county was the first from west of the Hudson river to join Washington's army besieging the British at Boston and it bore the first commission issued by Congress after Washington's. The trip to Boston—more than 400 miles—was made entirely on foot. They became famous in this country and in England for their marksmanship and some of them later formed the guard for General Washington.

Monday evening's meeting was held at the home of Mrs. Kermit Heret with Mrs. Victor Duttmer presiding. Devotions were conducted by Miss Sue Ellen Harper.

The chapter voted to admit new members as charter members during the year of organization of the local unit, ending next February. A poem, "The Courtin'," by James Russell Lowell, was read by Miss MaBelle Heret. Hectresses for the meeting were Mrs. Heret, Mrs. G. W. LeFever, Mrs. George Thrush, Jr., and Miss Mildred Stoner. Miss Stoner introduced Mr. Sheads to the group.

# Day Of Atonement To Begin Wednesday

Yom Kippur, the Day of Atonement, most solemn day in the Hebrew calendar, will be observed by Jews throughout the world starting at sunset Wednesday.

The holy day, observed by devout Jews with fasting and prayers in synagogues, will end at sunset Thursday with the traditional blowing of the shofar, or ram's horn, signaling the end of the 10-day penitential period that began with Rosh Hashana, the Jewish New Year.

# Councilmen Going To PUC Hearing

Councilmen Mahlon P. Hartzell, Samuel Weiser and Fred Hummelbaugh, with Borough Engineer LeRoy H. Winebrenner, were authorized at Monday night's special meeting of the borough council, to attend a hearing before the Public Utilities Commission in Harrisburg Thursday morning on the Western Maryland railroad's proposal to install flasher signals at the Carlisle street crossing.

# TOWN FATHERS REVERSE SELVES AND BUY GRADER

Borough council, which early in August rejected bids on a grader for the highway department, and at the last regular meeting of the council on September 5 agreed to defer until next year such purchase, reversed itself at a special meeting in the engine house Monday night, and voted to buy a "Huber Maintainer" at a cost not to exceed \$4,000.

The meeting had been called to transfer the borough's sewage plant and sewer system from the borough to the Gettysburg Municipal Authority. The grader question was brought up by Borough Engineer LeRoy H. Winebrenner for consideration at the next meeting of the council.

Mr. Bulleit Makes Two Rulings President H. M. Oyler polled members of the council, all of whom were present, after a discussion of the grader and the need for it this fall, and Borough Solicitor Eugene V. Bulleit ruled that action could be taken immediately, under the circumstances.

The resolution, later unanimously adopted, as dictated by Mr. Bulleit pointed out that although the meeting had been called for a special purpose, all members of the council were present, all were in favor of purchasing the grader and all waived notice of another special meeting. It authorized the purchase of the Huber from the American Equipment company, Mechanicsburg.

Mr. Bulleit also said that it is not necessary to obtain competitive bids for new equipment that is patented.

# LOCAL CLASSIS PASTORS MEET

Gettysburg Classis Ministerium of the Reformed church resumed monthly meetings Monday afternoon following a recess during the summer months. The meeting, which was in charge of the president, the Rev. John C. Brumbach, Littlestown, was held in the office of Trinity Reformed church, Hanover. Opening devotions were in charge of the host pastor, the Rev. H. E. Sheely, who also presented the secretary's report.

A schedule of the monthly meeting places and programs was presented by the president and adopted. Plans were started for the annual consistorial conference. It was decided to hold it Thursday evening, November 2, in the dining hall of Zion Reformed church, Arendtsville. The committee that will compile the arrangements and the program consists of the Rev. Nevin R. Frantz, Arendtsville; the Rev. Dr. Howard Schley Fox, Gettysburg; and the Rev. Archie C. Rohrbaugh, New Oxford.

The Rev. Mark Wagner, the new superintendent of the Homewood Church Home, Hagerstown, was introduced to the group, and explained the progress that is being made on the new home for the aged. He announced that there will be an area meeting on Wednesday, October 11, in Trinity church, Hanover, at 7:30 p.m., to discuss the new building program with the members and leaders of the Reformed churches.

# Burgess Is Made Honorary Member

Burgess William G. Weaver is now an honorary member of the Red Rose Antique Auto club of Lancaster county.

A letter he received today from Paul M. Marvel and Ruth A. Witman, president and secretary respectively of the club, enclosed his honorary membership card, and extended the club's thanks to the burgess and citizens of Gettysburg for courtesies extended to members of the club on the occasion of their antique automobile "run" to Gettysburg August 26 and 27.

# FINES ARE PAID

Algie Price, 19, and his brother, Wayne, 21, of Gettysburg R. 2, committed to jail Monday morning in default of fines and costs totaling \$43.25 each for disorderly conduct and throwing tomatoes at a passing automobile, were released Monday night upon payment of the fines by their father, Justice of the Peace Robert P. Snyder said today.

# COUNCIL READY TO DEED LAND TO AUTHORITY

As a further step toward the enlargement and improvement of Gettysburg's sewage plant and collection system, borough council met Monday night at a special session in the council chambers in the fire engine house and adopted a resolution deeding all properties connected with the sewer system to the Gettysburg Municipal Authority.

The authority will issue approximately \$385,000 in bonds to pay for the improvements and operate the sewer system and collect sewer rentals for a period of 30 years.

Another resolution was adopted empowering borough authorities to institute such proceedings as may be necessary to acquire lands now occupied by the sewer plant, to which the borough does not have title.

# Borough Never Got Title

The sewage disposal plant is built, in part, on the lands of W. H. Lamius and P. L. Houck, according to this latter resolution. The plant property is bounded on the east by Rock creek and adjoining lands now or formally owned by Houck, the United States government and E. P. Sachs.

The borough never acquired full legal, marketable title to these parcels because, according to the resolution, of "incomplete records, lost records and insufficient records." The lands are to be paid for from the general fund of the borough.

With the passing of title from the borough to the Municipal Authority, it is likely that all future sewer extensions must be paid for by the property owner desiring the sewer connection. Borough Solicitor Eugene V. Bulleit said it was probable that the engineers would recommend this procedure. Heretofore the borough engineering department has extended the sewer lines. The new setup will be similar to the water line setup.

# Mr. Bulleit Explains Plans

Bulleit explained that under this plan, should one property owner pay the entire cost of an extension past unimproved property to reach his own property, the intervening property owners would later, when homes were built and the sewer used, be required to reimburse the person who paid the original cost of the installation. The Adams county home will be required, it was pointed out, to pay rentals for use of the sewer system the same as other properties. Officials were empowered to negotiate with the institution district of the county. The sewer line was built from the county home to the borough's sewer line in the north end at county expense. Other properties later connected with this sewer on lands annexed by the borough may have to reimburse the county.

# ROTARY CIRCUS TICKETS ON SALE

More than 600 tickets have been sold so far by members of the Gettysburg Rotary club for the Mills Brothers circus to be presented here October 4 under sponsorship of the local service club.

Reports at the regular meeting of Rotary held Monday evening at the YWCA showed that every one of the teams into which the club has been divided for the sale of the tickets was able to report a number of sales at the end of the first week of sales for the three-ring show.

Money to be raised by the sale of tickets will go toward establishment of a dental clinic for children at the Warner hospital; ten per cent will go to the Gettysburg Recreation association; a percentage will go into a fund for loans to help students through college and provide for other civic activities.

Fifty-five attended the meeting. A letter was read from Dr. Raymond Hale, secretary of the county medical society, thanking the club for lending the medical society its movie projector to show medical films at the South Mountain fair.

James S. Cairns reported on the need for clothing for the rummage sale to be held by the Rotary club later this fall, and also reported on the advance sale of tickets for the circus. Dr. Bruce N. Wolff, vice president of the club, introduced the speaker, Dr. A. R. Wentz, president of the local seminary. Dr. Kenneth Smoke, president of Rotary, presided at the meeting.

# BIRTH ANNOUNCEMENTS

Mr. and Mrs. G. Donald Wickerham, 47 East Broadway, announce the birth of a son at the Warner hospital this morning.

A daughter was born this morning at the hospital to Mr. and Mrs. Cleason Fair, Gettysburg R. 1.

Daughters were born at the hospital Monday to Mr. and Mrs. William Sanders, 310 Baltimore street, and Mr. and Mrs. Eugene Strausbaugh, 402 South Washington street.

# Leaves For Duty As Army Chaplain

The Rev. Chester T. Loszewski, pastor of Paradise Catholic church and chaplain of Paradise Rectory for the past four years, is leaving this week, having been recalled to army duty as a chaplain. Just prior to Father Loszewski's arrival at Paradise as pastor in 1946, he had been discharged from the army where he was a chaplain during World War II, serving extensively overseas.

Father Loszewski, whose home is at Ranshaw, has recovered his health after several months of illness this summer, much of that time spent as a surgical patient at Lancaster and Philadelphia.

During the past week, a purse, contributed by parishioners, was presented to Father Loszewski as a farewell gift in token of appreciation for his many improvements in parish affairs.

# LITTONIAN SHOE COMPANY HEAD EXPIRES TODAY

William Ernest Ritter, 77, president of the Littonian Shoe company, of Littlestown, died this morning at 6:30 o'clock at his home in Taneytown. He had experienced a number of minor strokes over a period of some time and then suffered a major stroke Friday, leading to his death today.

A retired farmer, he had resided most of his life in the rural area around Taneytown before moving to that Maryland town 13 years ago.

Surviving are his wife, the former Emma Waybright; four children, Luther W. Ritter and Charles E. Ritter, of Littlestown; Mrs. Lloyd E. Willhide, Keymer, Md., and Mrs. Herman Baile, New Windsor, and nine grandchildren. He was a brother-in-law of William Durboraw, Carlisle street, here.

He was a lifelong member of the Keysville Lutheran church and served on a number of church councils of that church and was a trustee of that church and a Sunday school teacher. He was a member of the Brotherhood of Trinity Lutheran church, Taneytown.

Funeral services Friday morning, with meeting at the Fuss funeral home, Taneytown, at 10 o'clock followed by further services at the Keysville Lutheran church. Interment in the church cemetery. Friends may call at the funeral home in Taneytown Thursday evening from 7 to 9 o'clock.

# BULLETINS

Frankfurt, Germany, Sept. 19 (AP)—The United States joined Britain and France today in a warning to Soviet Russia to keep hands off western Germany.

The three nations moved to end their state of war with Germany and to strengthen her industrially and defensively, but announced that there is no call for recreating a national army in the western zones. Any attack upon Berlin or upon western Germany will be regarded as an attack upon the occupying nations themselves.

Washington, Sept. 19 (AP)—Gen. George C. Marshall gets a chance today to answer some Republicans' assertions that as secretary of defense he is likely to be a "stooge" for Secretary of State Acheson. Marshall was called before the Senate Armed Services committee to outline the policies he will follow as successor to Louis A. Johnson.

Washington, Sept. 19 (AP)—Two air force jet fighters abandoned an attempt to fly from London to New York nonstop today after one of the planes damaged its equipment for refueling in flight over Prestwick, Scotland. The air force announced failure of the flight. Another attempt will be made later, officials indicated.

# LIONS ENDORSE FORMATION OF NEW CIVIC BODY

Gettysburg Lions Monday evening endorsed a plan for the formation of an association of civic and service clubs and authorized the appointment of its representatives to help organize such a group "to work together on projects for the improvement of our community."

The Lions members voted their approval of earlier action taken by their board of directors as a step toward formation of the new community association which is expected to unite groups with a total membership of about 800 members in Gettysburg.

After the meeting President Radford H. Lippy said he is naming J. Herbert Raymond and John R. Baschore, members of the Lions' community betterment committee, as the club representatives to the new group which may be called together later this week.

# Another Minstrel Show

The Lions also voted unanimously to hold another musical and minstrel show next spring for the benefit of the club's charity fund. Committees will be named soon and dates will be set for the show. George A. Albee told the club the program advertising for the last show has netted the charity fund \$1,177.44 with several accounts yet outstanding.

President Lippy presided at the meeting with 108 Lions and guests present. The session was held in the Methodist church basement with women of the church serving the dinner.

# Coaches Are Guests

Among the guests for the evening were members of the Gettysburg college, high school and junior high school football coaching staffs. Presented by Program Chairman Douglas Smith, Henry T. Bream who is a member of the club and head coach at the college, introduced the other guest coaches. George H. Forney, athletic director at Gettysburg high school spoke briefly and Ross Sachs, assistant football coach at the high school, described the high school squad as "rough in spots but well balanced."

He added that "our opposition is

# BLACK WALNUT SCOUTERS MAP WORK FOR YEAR

Plans for autumn and winter activities of Boy Scouts in the Black Walnut district were outlined Monday evening at a meeting of the district Scout committee in the office of the district committee chairman, Attorney Edward B. Bulleit, in the First National bank building.

Committees were named for a dinner meeting to be held in November. Dean W. E. Tibberg, E. Donald Scott and Harry Enlet were named as a nominating committee to select candidates for district offices. Dr. Fred Tibberg was selected to arrange for the program and Dr. Joseph H. Riley was named to make arrangements for the site and time of the annual affair.

Reports presented by 15 representatives of various Scout troops in the district showed a great increase in the number of scouts who attended camp during the past summer, and in other scout activities in the district during the summer. Reports were presented on the scout camping held at Haines ranch and participation by district.

# FOUR TRAFFIC FINES LEVIED

Forrest Keaton, of Milton, W. Va., arrested Monday night by state police of the Gettysburg substitution on a charge of driving without an operator's license, was fined \$10 and costs by Justice of the Peace Robert P. Snyder.

William R. O'Brien, Philadelphia, charged by state police with making an improper pass, paid \$10 and costs to Squire Snyder.

Raymond H. Robbins, Denver, Lancaster county, was fined \$10 and costs by Justice of the Peace George A. Lippy, Hanover, on a charge of operating a semi-trailer which swayed on the highway. The charge cited that the wheels "deflected more than six inches."

Calvin Edgar Baldwin, Rice, Va., paid \$10 and costs to Justice of the Peace Robert P. Bell, Gettysburg R. 4, on a speeding charge.

# DR. WENTZ SAYS RUSSIANS WORSE THAN PICTURED

Germany is a country of "continuing problems and growing hopes," Dr. A. R. Wentz, president of the Gettysburg Lutheran Theological seminary, told the Rotary club at its regular meeting Monday evening at the YWCA.

"The worst you hear about the Russians is not up to the facts," he said. "The torturing, the inhumanity being practiced now against Germans in the East zone is not fit to speak about in civilized society."

Doctor Wentz recently returned from his sixth trip to Europe since the end of World War II. He made the three months trip on a special project of the state department of the U.S., as part of the program of personnel exchange between the occupied countries and the United States.

Sponsored by the Education and Cultural Relations division of the State Department, Religious affairs branch, the particular project in which Doctor Wentz participated sent five American religious leaders, four ministers and a Catholic priest, to Germany to carry out studies, and meet with their German "opposite numbers." Doctor Wentz' duty was to make a study of ecumenical action in the German Protestant churches.

# Outgrowth Of Defeat

"The problems of Germany grow from the defeat, the abject prostration of Germany that came with the end of the war," the local educator noted. "You must see it to know what it means to be defeated under terms of unconditional surrender. The destruction of the professional classes, the destruction of property, of institutions of research and of mercy cannot be known by reading about it, or seeing pictures of it. It must be seen in three dimensions to be understood in its terrible actuality. It will take generations for Germany to completely recover."

"There is also the political problem—five years gone by and no peace treaty. The Germans seek a peace treaty so they can go their own way. They are irked by the fact that they have no treaty in sight, and irked more by the fact that Germany is divided into two parts. Fear 'Bolshevik'."

"Many Germans are convinced that there will never be peace on earth as long as Germany is divided. There is also deep-rooted in the German scene a fear of the east, of Bolshevism."

# BUILDING FUND NETS \$2,860.36

Offerings for the building fund at the annual Rally day, held Sunday at Centenary Evangelical United Brethren church, Biglerville, totaled \$2,860.36, the Rev. Laverne E. Rohrbaugh, pastor, announced today.

The amount, he said, was the largest building fund offering for any one year in the history of the church.

Sunday's program began with a Sunday school rally attended by 155. Special music was presented by a girls' trio from Buffalo Bible Institute. Members of the trip included Louise McGregor, Jean McLaughlin and Hilda Bolzner. Miss Isabel Van Dusen, instructor of music at the institute, accompanied the group at the piano.

The Rev. D. K. Reisinger, president of the Buffalo Bible Institute, was the speaker. He had as his subject "Be Ye Faithful" and explained that "Rally Day is a day in which to reborn ourselves together for greater service, a time to recover order out of confusion and a time to take on new life and more life."

An evangelistic rally was held, in the evening with Evangelist Jacob Sheetz bringing the message. Mr. Sheetz also played a number of selections on his saxophone.

# ADVANCE PLANS ON OBSERVANCE OF PENNA. WEEK

Plans for the observance here of Pennsylvania week and the visit of the Pennsylvania Week special train on October 21 were further advanced at a meeting of the county committee held Monday afternoon at the office of Edmund W. Thomas, regional chairman, in the First National bank building.

Plans call for the arrival of the train here from Carlisle at 3:20 p.m. It will remain here one hour. Tentative plans were adopted for a two-part program, the personnel of the train, headed by Ezra Stone, the "Henry Aldrich" of radio fame, as master of ceremonies, taking about 35 minutes of the hour-long program, and the local committee arranging about 25 minutes of it.

As discussed tentatively Monday afternoon, the program will open with Stone as "emcee," and music by one of the quartets which will travel with the train. Burgess William G. Weaver will welcome the train to Gettysburg and introduce Fred G. Pfeffer, county co-chairman; Mr. Thomas, regional chairman, and others.

# To Halt Traffic

This will be followed by a brief program in which Johnny Applesseed will be one of the principal characters, before the program is turned back to the train entertainers.

The train will stop across Carlisle street, with the platform car, from which the program will be presented, in the center of the crossing. Traffic on Carlisle street will be detoured at Water street and at Lincoln Square while the train is here. Local police will have charge of directing traffic. Burgess Weaver will confer with Sgt. W. Kurt Duhrhoff on policing of the crowd. State police will be on duty.

# YWCA Is Seeking 500 Memberships

Membership enrollment is under way at the YWCA, with a goal fixed at 500 members, Mrs. William H. Pensyl, membership chairman, announced today.

"This is membership month at the YWCA," Mrs. Pensyl said. "Belonging to the Young Women's Christian association means that you are a part of the largest women's organization in the world."

"The 'Y' family needs you, and you need it," she continued. "Belonging to the 'Y' means that you have a share in all the plans and activities in the 'Y' beginning with the open house October 8. Right through the year there are special programs set up for all ages, from junior high school groups to the Golden Age club. We invite you to join now."

# POSTPONE MEETING

A meeting of the board of directors of the Gettysburg Recreation association, scheduled to be held Monday night at the offices of Swope, Brown and Swope, was postponed, and no date set yet for the session.

# By LEIF ERICKSON

Tokyo, Sept. 19 (AP)—Allied liberation forces rushed up river-crossing equipment today to jump the Han water barrier at Seoul before Red defenses can be rallied.

The Allies were racing against oncoming Communist reinforcements for possession of the besieged capital city.

The Reds appeared to be abandoning the old Allied southeast beachhead box perimeter in an effort to save Seoul for themselves.

Marine-led Allies were mounting a 40,000-man offensive aimed at spanning the half-mile-wide Han river and winning Seoul quickly.

# Seoul Two Miles Away

Marine forward elements were reported two miles from Seoul—across the unbridged river from the Red-held capital.

The southeast front was cracking wide open under pressure and Red withdrawals toward the Allied second front 140 miles away.

A shield of Sherman and Pershing tanks and infantry was thrown out on the marine south flank in Seoul's cross-river suburbs to block off the north-bound Reds.

There the Allies had a tank-ringed perimeter set up with great firepower.

# Both Armies Advancing

Advance Red columns were reported within a few hours' drive of Seoul.

Seventh Division infantrymen — Americans and South Koreans — streamed from Inchon into positions across the main highway leading into Seoul from the south.

The marine vanguard had driven into Yongdopung, Seoul suburb on the Han's southwest bank, and another leatherneck force pushed about seven miles—also on the southwest bank of the Han.

Korean Reds rolling north in motorized columns faced the task of fighting through this barrier to Seoul or running the right flank.

# Pushed Ahead In South

As Red Koreans streamed out of positions on the southeast Korean front in their northward flight, Allied forces punched ahead there. They seized Waegwan, fought into the hilltop walled city of Kasan, put at least 4,000 men across the Nakdong and a bridge over the river—all in the center of the old 125-mile perimeter — and forged gains on the Masan and Pohang ends.

The South Korean Third Division entered Pough port after the battleship Missouri's big guns had pounded Reds in the bitterly-disputed east coast port.

The former director of the Berlin airlift, Maj. Gen. William H. Tunner, was named commander of a newly-created airlift to the second front. Armed four-engined transport planes landed in a steady stream throughout Tuesday afternoon at Kimpo airfield, 12 miles northwest of Seoul. The marines seized it Sunday night.

The big planes brought supplies and troops to the front, bulwarking the thousands of fighting men and hundreds of tons of equipment still flowing ashore at Inchon, 22 miles west of Seoul. Lt. Gen. George Stratemeyer said the Far East air forces would run the second front airlift on a 24-hour schedule.

## INQUEST FRIDAY INTO DEATH OF MRS. SEYMOUR

An inquest into the death of Mrs. Margaret Seymour, 42, of 31 East Middle street, killed in a fall from a moving automobile on the Lincoln highway three miles east of Gettysburg at 1:45 o'clock Monday morning, will be held at the court house Friday afternoon at 3:30 o'clock. Dr. C. G. Crist, Adams county coroner, announced today.

State police of the Gettysburg substation and Dr. Crist, on two occasions, questioned other occupants of the automobile in which Mrs. Seymour was riding, but refused to divulge the results of their questioning until after the inquest.

Mrs. Seymour, in company with Albert Paxton Kuykendall, 34, of 34 North Franklin street; Doris Elizabeth Kemper, 34, 15 Fifth street, and Robert Lee Koozitz, 33, of East Railroad street, was returning from Hanover, where police said they had visited a club Sunday night.

**Funeral Wednesday**  
The dead woman fell from the automobile driven by Koozitz, and died almost immediately of a fractured skull and broken neck. She was dead before her arrival at the Warner hospital, where she was rushed by her companions.

Mrs. Seymour came here several years ago from West Virginia, where her parents, Mr. and Mrs. Andrew J. Wilson reside.

Funeral services Wednesday at 2 p.m., from the Bender funeral home conducted by Rev. Robert C. Schiebel, Arendtsville, with interment in Evergreen cemetery. Friends may call at the funeral home this evening after 7 o'clock.

## SHEADS TELLS COUNTY'S PART IN REVOLUTION

The story of Captain Michael Doude's company of Adams countians in the American Revolution was recounted for members of the local chapter of the Daughters of American Colonists Monday evening by J. Melchior Sheads, president of the Adams County Historical society and member of the faculty at Gettysburg high school.

Mr. Sheads traced the distinguished record of the company, which was recruited at Samuel Gettys' tavern where Gettysburg now stands, on June 24, 1775, through its march to join Washington at Boston and through its services in most of the important battles of the American war for independence.

After receiving its first baptism of fire near Bunker Hill, July 29, 1775, the company "served with distinction in all the important battles fought in the middle colonies, including Long Island, White Plains, Trenton, Princeton, Brandywine, Germantown and Monmouth," Mr. Sheads said.

### Make Trip On Foot

The speaker noted that the company from what later became Adams county was the first from west of the Hudson river to join Washington's army besieging the British at Boston and it bore the first commission issued by Congress after Washington's. The trip to Boston—more than 400 miles—was made entirely on foot. They became famous in this country and in England for their marksmanship and some of them later formed the guard for General Washington.

Monday evening's meeting was held at the home of Mrs. Kermit Heretere with Mrs. Victor Dutterra presiding. Devotions were conducted by Miss Sue Ellen Harper.

The chapter voted to admit new members as charter members during the year of organization of the local unit, ending next February. A poem, "The Courtin'," by James Russell Lowell, was read by Miss MaBelle Heretere. Hostesses for the meeting were Mrs. Heretere, Mrs. G. W. Leffever, Mrs. George Thrush, Jr., and Miss Mildred Stoner. Miss Stoner introduced Mr. Sheads to the group.

Winebrenner, were authorized at Monday night's special meeting of the borough council, to attend a hearing before the Public Utilities Commission in Harrisburg Thursday morning on the Western Maryland railroad's proposal to install flasher signals at the Carlisle street crossing.

## TOWN FATHERS REVERSE SELVES AND BUY GRADER

Borough council, which early in August rejected bids on a grader for the highway department, and at the last regular meeting of the council on September 5 agreed to defer until next year such purchase, reversed itself at a special meeting in the engine house Monday night, and voted to buy a "Huber Maintainer" at a cost not to exceed \$4,000.

The meeting had been called to transfer the borough's sewage plant and sewer system from the borough to the Gettysburg Municipal Authority. The grader question was brought up by Borough Engineer LeRoy H. Winebrenner for consideration at the next meeting of the council.

### Mr. Bulleit Makes Two Rulings

President H. M. Oyler polled members of the council, all of whom were present, after a discussion of the grader and the need for it this fall, and Borough Solicitor Eugene V. Bulleit ruled that action could be taken immediately, under the circumstances.

The resolution, later unanimously adopted, as dictated by Mr. Bulleit pointed out that although the meeting had been called for a special purpose, all members of the council were present, all were in favor of purchasing the grader and all waived notice of another special meeting. It authorized the purchase of the Huber from the American Equipment company, Mechanicsburg.

Mr. Bulleit also said that it is not necessary to obtain competitive bids for new equipment that is patented.

## LOCAL CLASSIS PASTORS MEET

Gettysburg Classis Ministerium of the Reformed church resumed monthly meetings Monday afternoon following a recess during the summer months. The meeting, which was in charge of the president, the Rev. John C. Brumbach, Littlestown, was held in the office of Trinity Reformed church, Hanover. Opening devotions were in charge of the host pastor, the Rev. H. E. Sheely, who also presented the secretary's report.

A schedule of the monthly meeting places and programs was presented by the president and adopted. Plans were started for the annual consistorial conference. It was decided to hold it Thursday evening, November 2, in the dining hall of Zion Reformed church, Arendtsville. The committee that will complete the arrangements and the program consists of the Rev. Nevin R. Frantz, Arendtsville; the Rev. Dr. Howard Schley Fox, Gettysburg; and the Rev. Archie C. Rohrbach, New Oxford.

The Rev. Mark Wagner, the new superintendent of the Homewood Church Home, Hagerstown, was introduced to the group, and explained the progress that is being made on the new home for the aged. He announced that there will be an area meeting on Wednesday, October 11, in Trinity church, Hanover, at 7:30 p.m., to discuss the new building program with the members and leaders of the Reformed churches. ## Burgess Is Made Honorary Member

Burgess William G. Weaver is now an honorary member of the Red Rose Antique Auto club of Lancaster county.

A letter he received today from Paul M. Marvel and Ruth A. Whitman, president and secretary respectively of the club, enclosed his honorary membership card, and extended the club's thanks to the burgess and citizens of Gettysburg for courtesies extended to members of the club on the occasion of their antique automobile "run" to Gettysburg August 26 and 27.

### FINES ARE PAID

Algie Price, 19, and his brother, Wayne, 21, of Gettysburg R. 2, committed to jail Monday morning in default of fines and costs totaling \$43.25 each for disorderly conduct and throwing tomatoes at a passing automobile, were released Monday night upon payment of the fines by their father, Justice of the Peace Robert P. Snyder said today.

## COUNCIL READY TO DEED LAND TO AUTHORITY

As a further step toward the enlargement and improvement of Gettysburg's sewage plant and collection system, borough council met Monday night at a special session in the council chambers in the fire engine house and adopted a resolution deeding all properties connected with the sewer system to the Gettysburg Municipal Authority.

The authority will issue approximately \$385,000 in bonds to pay for the improvements and operate the sewer system and collect sewer rentals for a period of 30 years.

Another resolution was adopted empowering borough authorities to institute such proceedings as may be necessary to acquire lands now occupied by the sewer plant, to which the borough does not have title.

### Borough Never Got Title

The sewage disposal plant is built, in part, on the lands of W. H. Lamius and P. L. Houck, according to this latter resolution. The plant property is bounded on the east by Rock creek and adjoining lands now or formally owned by Houck, the United States government and E. P. Sachs.

The borough never acquired full legal, marketable title to these parcels because, according to the resolution, of "incomplete records, lost records and insufficient records." The lands are to be paid for from the general fund of the borough.

With the passing of title from the borough to the Municipal Authority, it is likely that all future sewer extensions must be paid for by the property owner desiring the sewer connection. Borough Solicitor Eugene V. Bulleit said it was probable that the engineers would recommend this procedure. Heretofore the borough engineering department has extended the sewer lines. The new setup will be similar to the water line setup.

### Mr. Bulleit Explains Plans

Bulleit explained that under this plan, should one property owner pay the entire cost of an extension past unimproved property to reach his own property, the intervening property owners would later, when homes were built and the sewer used, be required to reimburse the person who paid the original cost of the installation. The Adams county home will be required, it was pointed out, to pay rentals for use of the sewer system the same as other properties. Officials were empowered to negotiate with the institution district of the county. The sewer line was built from the county home to the borough's sewer line in the north end at county expense. Other properties later connected with this sewer on lands annexed by the borough may have to reimburse the county.

### ROTARY CIRCUS TICKETS ON SALE

More than 600 tickets have been sold so far by members of the Gettysburg Rotary club for the Mills Brothers circus to be presented here October 4 under sponsorship of the local service club.

Reports at the regular meeting of Rotary held Monday evening at the YWCA showed that every one of the teams into which the club has been divided for the sale of the tickets was able to report a number of sales at the end of the first week of sales for the three-ring show.

Money to be raised by the sale of tickets will go toward establishment of a dental clinic for children at the Warner hospital; ten per cent will go to the Gettysburg Recreation association; a percentage will go into a fund for loans to help students through college and provide for other civic activities.

Fifty-five attended the meeting. A letter was read from Dr. Raymond Hale, secretary of the county medical society, thanking the club for lending the medical society its movie projector to show medical films at the South Mountain fair.

James S. Cairns reported on the need for clothing for the rummage sale to be held by the Rotary club later this fall, and also reported on the advance sale of tickets for the circus. Dr. Bruce N. Wolff, vice president of the club, introduced the speaker, Dr. A. R. Wentz, president of the local seminary. Dr. Kenneth Smoke, president of Rotary, presided at the meeting.

### BIRTH ANNOUNCEMENTS

Mr. and Mrs. G. Donald Wickerham, 47 East Broadway, announce the birth of a son at the Warner hospital this morning.

A daughter was born this morning at the hospital to Mr. and Mrs. Cleason Fair, Gettysburg R. 1.

Daughters were born at the hospital Monday to Mr. and Mrs. William Sanders, 310 Baltimore street, and Mr. and Mrs. Eugene Strausbaugh, 402 South Washington street.

## Leaves For Duty As Army Chaplain

The Rev. Chester T. Loszewski, pastor of Paradise Catholic church and chaplain of Paradise Rectory for the past four years, is leaving this week, having been recalled to army duty as a chaplain. Just prior to Father Loszewski's arrival at Paradise as pastor in 1946, he had been discharged from the army where he was a chaplain during World War II, serving extensively overseas.

Father Loszewski, whose home is at Ranshaw, has recovered his health after several months of illness this summer, much of that time spent as a surgical patient at Lancaster and Philadelphia.

During the past week, a purse, contributed by parishioners, was presented to Father Loszewski as a farewell gift in token of appreciation for his many improvements in parish affairs.

## LITTONIAN SHOE COMPANY HEAD EXPIRES TODAY

William Ernest Ritter, 77, president of the Littonian Shoe company, of Littlestown, died this morning at 6:30 o'clock at his home in Taneytown. He had experienced a number of minor strokes over a period of some time and then suffered a major stroke Friday, leading to his death today.

A retired farmer, he had resided most of his life in the rural area around Taneytown before moving to that Maryland town 13 years ago.

Surviving are his wife, the former Emma Waybright; four children, Luther W. Ritter and Charles E. Ritter, of Littlestown; Mrs. Lloyd E. Wilhide, Keymar, Md., and Mrs. Herman Baile, New Windsor, and nine grandchildren. He was a brother-in-law of William Durbrow, Carlisle street, here.

He was a lifelong member of the Keysville Lutheran church and served on a number of church councils of that church and was a trustee of that church and a Sunday school teacher. He was a member of the Brotherhood of Trinity Lutheran church, Taneytown.

Funeral services Friday morning, with meeting at the Fuss funeral home, Taneytown, at 10 o'clock followed by further services at the Keysville Lutheran church. Interment in the church cemetery. Friends may call at the funeral home in Taneytown Thursday evening from 7 to 9 o'clock.

### CHANGE REHEARSAL TIME

The regular rehearsal of the Blue and Gray band will be held this week on Wednesday evening instead of Thursday, it was announced today. The band practice will be held in the engine house at 8 o'clock.

### EXCHANGE TO MEET

The weekly dinner meeting of the Exchange club will be held this evening at 6:30 o'clock at Bankert's restaurant.

## BULLETINS

Frankfurt, Germany, Sept. 19 (AP) — The United States joined Britain and France today in a warning to Soviet Russia to keep hands off western Germany.

The three nations moved to end their state of war with Germany and to strengthen her industrially and defensively, but announced that there is no call for recreating a national army in the western zones. Any attack upon Berlin or upon western Germany will be regarded as an attack upon the occupying nations themselves.

## LIONS ENDORSE FORMATION OF NEW CIVIC BODY

Gettysburg Lions Monday evening endorsed a plan for the formation of an association of civic and service clubs and authorized the appointment of its representatives to help organize such a group "to work together on projects for the improvement of our community."

The Lions members voted their approval of earlier action taken by their board of directors as a step toward formation of the new community association which is expected to unite groups with a total membership of about 800 members in Gettysburg.

After the meeting President Radford H. Lippy said he is naming J. Herber Raymond and John H. Basehore, members of the Lions' community betterment committee, as the club representatives to the new group which may be called together later this week.

### Another Minstrel Show

The Lions also voted unanimously to hold another musical and minstrel show next spring for the benefit of the club's charity fund. Committees will be named soon and dates will be set for the show. George A. Albee told the club the program advertising for the last show has netted the charity fund \$1,177.44 with several accounts yet outstanding.

President Lippy presided at the meeting with 108 Lions and guests present. The session was held in the Methodist church basement with women of the church serving the dinner.

### Coaches Are Guests

Among the guests for the evening were members of the Gettysburg college, high school and junior high school football coaching staffs. Presented by Program Chairman Douglas Smith, Henry T. Bream who is a member of the club and head coach at the college, introduced the other guest coaches. George H. Forney, athletic director at Gettysburg high school spoke briefly and Ross Sachs, assistant football coach at the high school, described the high school squad as "rough in spots but well balanced." He added that "our opposition is (Continued on Page 6)

## BLACK WALNUT SCOUTERS MAP WORK FOR YEAR

Plans for autumn and winter activities of Boy Scouts in the Black Walnut district were outlined Monday evening at a meeting of the district Scout committee in the office of the district committee chairman, Attorney Edward B. Bulleit, in the First National bank building.

Committees were named for a dinner meeting to be held in November. Dean W. E. Tilberg, E. Donald Scott and Harry Elmet were named as a nominating committee to select candidates for district offices. Dr. Fred Tilberg was selected to arrange for the program and Dr. Joseph H. Riley was named to make arrangements for the site and time of the annual affair.

Reports presented by 15 representatives of various Scout troops in the district showed a great increase in the number of scouts who attended camp during the past summer, and in other scout activities in the district during the summer. Reports were presented on the scout camping held at Haines ranch and participation by district. (Continued on Page 2)

## BUILDING FUND NETS \$2,860.36

Offerings for the building fund at the annual Rally day, held Sunday at Centenary Evangelical United Brethren church, Biglerville, totaled \$2,860.36, the Rev. Laverne E. Rohrbach, pastor, announced today.

The amount, he said, was the largest building fund offering for any one year in the history of the church.

Sunday's program began with a Sunday school rally attended by 155. Special music was presented by a girls' trio from Buffalo Bible Institute. Members of the trip included Louise McGregor, Jean McLaughlin and Hilda Bolzner. Miss Isabel Van Dusen, instructor of music at the institute, accompanied the group at the piano.

The Rev. D. K. Reisinger, president of the Buffalo Bible Institute, was the speaker. He had as his subject "Be Ye Faithful" and explained that "Rally Day is a day in which to rebind ourselves together for greater service, a time to recover order out of confusion and a time to take on new life and more life."

An evangelistic rally was held in the evening with Evangelist Jacob Sheetz bringing the message. Mr. Sheetz also played a number of selections on his saxophone.

## FOUR TRAFFIC FINES LEVIED

Forrest Keaton, of Milton, W. Va., arrested Monday night by state police of the Gettysburg substation on a charge of driving without an operator's license, was fined \$10 and costs by Justice of the Peace Robert P. Snyder.

William R. O'Brien, Philadelphia, charged by state police with making an improper pass, paid \$10 and costs to Squire Snyder.

Raymond H. Robbins, Denver, Lancaster county, was fined \$10 and costs by Justice of the Peace George A. Lippy, Hanover, on a charge of operating a semi-trailer which swayed on the highway. The charge cited that the wheels "deflected more than six inches."

Calvin Edgar Baldwin, Rice, Va., paid \$10 and costs to Justice of the Peace Robert P. Bell, Gettysburg R. 4, on a speeding charge.

## DR. WENTZ SAYS RUSSIANS WORSE THAN PICTURED

Germany is a country of "continuing problems and growing hopes," Dr. A. R. Wentz, president of the Gettysburg Lutheran Theological seminary, told the Rotary club at its regular meeting Monday evening at the YWCA.

"The worst you hear about the Russians is not up to the facts," he said. "The torturing, the inhumanity being practiced now against Germans in the East zone is not fit to speak about in civilized society."

Doctor Wentz recently returned from his sixth trip to Europe since the end of World War II. He made the three months trip on a special project of the state department of the U.S., as part of the program of personnel exchange between the occupied countries and the United States.

Sponsored by the Education and Cultural Relations division of the State Department, Religious affairs branch, the particular project in which Doctor Wentz participated sent five American religious leaders, four ministers and a Catholic priest, to Germany to carry out studies and meet with their German "opposite numbers." Doctor Wentz' duty was to make a study of ecumenical action in the German Protestant churches.

### Outgrowth Of Defeat

"The problems of Germany grow from the defeat, the abject prostration of Germany that came with the end of the war," the local educator noted. "You must see it to know what it means to be defeated under terms of unconditional surrender. The destruction of the professional classes, the destruction of property, of institutions of research and of mercy cannot be known by reading about it, or seeing pictures of it. It must be seen in three dimensions to be understood in its terrible actuality. It will take generations for Germany to completely recover."

"There is also the political problem—five years gone by and no peace treaty. The Germans seek a peace treaty so they can go their own way. They are irked by the fact that they have no treaty in sight, and irked more by the fact that Germany is divided into two parts."

### Fear "Bolshevik"

"Many Germans are convinced that there will never be peace on earth as long as Germany is divided. There is also deep-rooted in the German scene a fear of the east, of (Continued on Page 2)

## ADVANCE PLANS ON OBSERVANCE OF PENNA. WEEK

Plans for the observance here of Pennsylvania week and the visit of the Pennsylvania Week special train on October 21 were further advanced at a meeting of the county committee held Monday afternoon at the office of Edmund W. Thomas, regional chairman, in the First National bank building.

Plans call for the arrival of the train here from Carlisle at 3:20 p.m. It will remain here one hour. Tentative plans were adopted for a two-part program, the personnel of the train, headed by Ezra Stone, the "Henry Aldrich" of radio fame, as master of ceremonies, taking about 35 minutes of the hour-long program, and the local committee arranging about 25 minutes of it.

As discussed tentatively Monday afternoon, the program will open with Stone as "emcee", and music by one of the quartets which will travel with the train. Burgess William G. Weaver will welcome the train to Gettysburg and introduce Fred G. Pfeffer, county co-chairman; Mr. Thomas, regional chairman, and others.

### To Halt Traffic

This will be followed by a brief program in which Johnny Applesseed will be one of the principal characters, before the program is turned back to the train entertainers. The train will stop across Carlisle street, with the platform car, from which the program will be presented, in the center of the crossing. Traffic on Carlisle street will be detained at Water street and at Lincoln Square while the train is here. Local police will have charge of directing traffic. Burgess Weaver will confer with Sgt. W. Kurt Dukhoff on policing of the crowd. State police (Continued on Page 5)

## YWCA Is Seeking 500 Memberships

Membership enrollment is under way at the YWCA, with a goal fixed at 500 members, Mrs. William H. Pensyl, membership chairman, announced today.

"This is membership month at the YWCA," Mrs. Pensyl said. "Belonging to the Young Women's Christian association means that you are a part of the largest women's organization in the world."

"The 'Y' family needs you, and you need it," she continued. "Belonging to the 'Y' means that you have a share in all the plans and activities in the 'Y' beginning with the open house October 6. Right through the year there are special programs set up for all ages, from junior high school groups to the Golden Age club. We invite you to join now."

### POSTPONE MEETING

A meeting of the board of directors of the Gettysburg Recreation association, scheduled to be held Monday night at the offices of Swope, Brown and Swope, was postponed, and no date set yet for the session.

Tokyo, Sept. 19 (AP)—Allied liberation forces rushed up river-crossing equipment today to jump the Han water barrier at Seoul before Red defenses can be rallied.

The Allies were racing against oncoming Communist reinforcements for possession of the besieged capital city.

The Reds appeared to be abandoning the old Allied southeast beachhead box perimeter in an effort to save Seoul for themselves.

Marine-led Allies were mounting a 40,000-man offensive aimed at spanning the half-mile-wide Han river and winning Seoul quickly.

### Seoul Two Miles Away

Marine forward elements were reported two miles from Seoul—across the unbridged river from the Red-held capital.

The southeast front was cracking wide open under pressure and Red withdrawals toward the Allied second front 140 miles away.

A shield of Sherman and Pershing tanks and infantry was thrown out on the marine south flank in Seoul's cross-river suburbs to block off the north-bound Reds.

There the Allies had a tank-ringed perimeter set up with great firepower.

RADIO

New York, Sept. 18 (AP)—Since the FCC decision approving the CBS color television system but without setting final standards, an increase in black and white set advertising by manufacturers and dealers has been noted, at least in the New York area. Price ranges are around 10 per cent higher than in the spring.

Some attribute the spurt to a desire by the industry to show the public that black and white sets are still much in evidence and that marketing of color receivers is not in any immediate prospect.

are working on apple sauce and there is also full production on apple juice. The jelly plant and vinegar production are not seasonal and continue the year round.

A steady stream of growers trucks is hauling tomatoes and apples to the various plants for weighing and delivery. The checks which go out promptly to these growers total hundreds of thousands of dollars and augur well for the fall buying season in local area stores and supply houses.

Tomato Prices Up

Allen Stauffer, plant personnel supervisor, reports almost peak employment with the majority experienced personnel who have worked at Musselman's for years and qualify under their retirement plan for seasonal, as well as all year, workers.

Crop reports indicate apples in good supply and quality. Tomatoes are of "surprisingly good quality considering the late and wet planting season." Musselman prices of \$34 a ton are the highest in years and are in addition to the services provided which include special home grown plants, planting, cultivating and spraying at less than cost.

Apple prices of \$3.25 per hundred weight—U. S. No. 1's, two and one-half inch and up—are also the highest in years with a substantial crop in prospect, especially in the West Virginia and Virginia areas, although local production is better than was expected due to local conditions affecting pollination.

Reception Followed

Miss Grace L. Bolin, of Enola, friend of the bride, who was maid of honor wore a twilight satin ankle length gown, with a peler pan collar, fitted bodice buttoned to the waist, three-quarter length sleeves and full bouffant skirt. Her bride band was of matching color. She carried a garland bouquet of rubrum lilies.

John F. Walters, brother of the groom, of Harrisburg, served as best man.

The bride's mother was dressed in a toast brown lace dress, matching accessories and an orchid.

Immediately following the ceremony a reception for 60 guests was held at Banker's.

Mrs. Walters graduated from Taylor high school, Taylor, Pa., and is employed with the Bell Telephone company, Harrisburg.

Mr. Walters graduated from John Harris high school, Harrisburg, attended Lebanon Valley college and graduated from the New York school of dietetics, New York city. He is assistant manager of the Howard Johnson restaurant, River road, Harrisburg.

After a wedding trip to the New England states, the couple will be at home at 923 North Second street, Harrisburg.

The bride's going away ensemble consisted of a grey wool jersey dress, black and white accessories and an orchid corsage.

Out-of-town guests were from: Harrisburg, Jersey City, Hopewell, New York and Frederick, Md.

Heavy Damage

(Continued from Page 1)

cants and gasoline on the main floor did not explode or burn.

Cause of the worst fire in that area in many years is believed to have been a short circuit in the wiring of the time clocks that control the neon signs at the front of the building. It was here that the fire was first discovered at about 8:30 o'clock Saturday evening.

Four Companies Respond

Apparently the fire was noticed almost simultaneously by several persons. Robert Kennedy of Benderville, who had stopped along the street to fix a flat tire, was one who first saw the first blaze. Two drivers of a large trailer truck also observed the trouble. They rushed to the porch of O. C. Rice, Sr., whose home lies diagonally across the street from the burned building, and pounded on the door. Mr. Rice reported the fire. But in the meantime John Deardorff noticed the flames from the square and turned in the alarm.

Four fire companies responded—Bigsbyville, Benderville, Arendtsville and York Springs—in that order.

Eyewitnesses stated that it was about 20 minutes before water could be played upon the blaze. By this time the flames had spread to the tarpapered roof. Even then it appeared that the flames would be brought under control. But soon the fire raged out of control. By the time firemen were sending the water from Hauser's pool, the burning structure was at the mercy of the blaze.

Save Some Records

Mr. Rice, Sr., and others fought through the smoke to salvage most of the office records. Other records stored elsewhere were destroyed.

Oscar Rice, Jr., gelled a curtain of smoke and climbed on his hands and knees into the machine shop

area to save a 44 Diesel Massey-Harris tractor. His action followed a futile attempt by Andrew Starnier, an employee, to accomplish the same purpose.

Mr. Rice succeeded in reaching the tractor in the rear of the shop. The starter turned over the engine on the first try. The gears meshed and the tractor rolled out of the lot, smoke-filled shop, burned only slightly. It was so hot that Mr. Rice's clothing stuck to the seat of the tractor. Later he stated that it was someone else's tractor and he didn't wish to see it destroyed.

When the fire had been brought under control after more than an hour's fight, three-fourths of the roof had fallen upon the more than \$40,000 dollars worth of machinery, parts and equipment on the main floor where it had burned destructively. Hardly a window pane was left intact. Many were shattered. The outer walls remain but inside the building is a mass of tangled ruins where the roof fell.

One Fireman Hurt

All machinery, parts and equipment were partially covered by insurance. The building also is partially covered. The \$100,000 estimate of the fire damage was supplied by the owners.

One casualty resulted from the fire fighting. Robert Darone of Benderville Fire company was killed and received first aid.

A work crew from the Metropolitan Edison company cut the electric wiring running into the building.

Throughout Sunday people appeared on the scene to observe the ravages of the fire.

Paul's church, Biglerville; Rev. J. M. Myers, Gettysburg; Rev. Cedric W. Tilberg, Glenside, Pa.; C. C. Culp, Gettysburg; Rev. George H. Berkheimer, Harrisburg, formerly of Ardensterville; Dr. Dwight F. Putman, Harrisburg, president of the Central Pennsylvania synod; Paul E. King, Littlestown, and Clarence D. Deardorff, McKnightstown.

The delegates are the officially chosen representatives of the UCL's 4,150 congregations in the United States, Canada, Alaska and Hawaii. For nine days they will conduct sessions devoted to the life and work of the church's two million members.

During the sessions, conducted by Dr. Franklin Clark Fry, New Rochelle, N. Y., president, the delegates will discuss and act on church expansion at home and overseas, cooperation with other Lutheran and Protestant bodies, resettlement of displaced persons and the stimulation of the membership to combat a growing secularism in the world.

**Control...that has no equal!**

Take this beautiful car out on the road . . . and you'll discover the most important driving difference in cars today. For here is the only automatic gear shifting that gives you full control of your car at all times! Here is the only automatic transmission that takes its orders from you . . . that shifts when you want to shift . . . that can't shift you up and down when you'd prefer another gear. See . . . feel . . . and hear the difference in slow moving traffic. You cruise smoothly along in high, even at 12 miles an hour . . . saving gasoline . . . saving wear and tear on your engine. But at 12 miles an hour, other automatic shifts drop you down into lower gears—and there's nothing you can do about it. Try Chrysler's Fluid Drive and automatic transmission . . . learn how Chrysler has kept far ahead of all others. And discover the built-in value all the way through that has no equal today!

DR. WENTZ SAYS

(Continued from Page 1)

The "Bolshevik." When the Korean war broke out, all were fearful that the Russians would move across Germany like a hot knife through butter. The Germans speak of it with a tone of fatalism, feeling that there is nothing they can do about it, that they are left defenceless. The fear is at its worst among the ten millions—increased by 1,000 more a day, who have fled from Russian occupied areas. They feel that the world will come to an end for them when the "Bolsheviks," as they call the Russians, catch up with them.

"When I left here I felt that possibly the reports we are getting about the Russians and their activities were somewhat overdrawn. But now I know that we are not getting the real truth. The worst you hear is not up to the facts.

**Americans Ready To Flee**

"American civilians in Germany are ready to flee on 60 seconds notice. They are not afraid to die, if the Russians come, but they do not want to be tortured.

"There is also a cultural problem in Germany. Most of the leaders of Germany today have no higher idea than to get back to the conditions which they call normal, the pre-Hitler, pre-1933 period. This shows a lack of vision on their part. Most have no slightest idea of social problems. In churchwork, many have no idea of using laymen, or of getting ideas from them.

"But Germany is also a land of growing hopes. A large measure of economic recovery has occurred. In the two years since I was there last there has been a tremendous change.

"Much of the change for the better, economically, has been a result of the Marshall Plan and the Germans know it. There are people in Germany who say 'Americans go home,' but the intelligent people, at least, compare their lot with those of their relatives on the Russian side and realize how fortunate they have been and what has been done to aid them.

**Conditions Improving**

The Germans are being granted more freedom in expressing themselves and in carrying out their policies for themselves." Doctor Wentz noted. He termed U. S. Commissioner McCoy "a most wise commissioner for Germany."

Germans are dressing and eating as they used to and the transportation system today is equal to that of 12 to 15 years ago, Doctor Wentz noted. "Prices are high but conditions are improving greatly. Rebuilding activities are still good. In many places all evidence of the bombing during the war has been removed and new structures constructed. If the Germans could be left alone for 10 years there would be no evidence of the recent war.

"The most hopeful thing is that the Germans are casting off some of the old traditions. Scientific and religious leaders are comparing ideas and methods. And most important of all, there is a growing idea of responsibility for society. As an example the film and religious leaders gathered recently to discuss that problem of responsibility, in their case the responsibility of film makers to society for morals and culture. It was a thing that has never occurred, even here."

**FR. LOSZEWSKI TO GO THURSDAY**

The Rev. Chester T. Loszewski, who has served as administrator at Paradise Rectory, near Abbotstown, for the past four years, has been recalled to military service the end of this month as a chaplain with the 28th Division.

Father Loszewski, who holds the rank of major, will leave the rectory on Thursday, and after spending some time at his home in Ranshaw, Pa., will report to Camp Aftersburg, Ind., where the division is presently stationed.

A veteran of World War II, Father Loszewski served in Africa and Italy during his four years of service.

Rev. Francis L. Mignot, assistant pastor of the Assumption of the Blessed Virgin Mary parish, Lancaster, has been named to succeed Father Loszewski as administrator at the rectory. Father Mignot, who assumed his new duties today, is a former assistant pastor of St. Patrick's Catholic church, York, where he served for several years. He was transferred to the Lancaster church on May 28, 1948.

**PAYS SUNDAY FINE**

Weddings

Smith—Alwine

The marriage of Margaret Catherine Alwine, daughter of Mr. and Mrs. William C. Alwine, Jr., New Oxford, to Fred Devine Smith, son of Mrs. Grace Smith and the late Linus C. Smith, New Oxford, was solemnized at 10:30 a.m., Saturday, in the Immaculate Heart of Mary Catholic church, Abbotstown. The Rev. Chester T. Loszewski performed the double ring ceremony at a nuptial high mass. Miss Darlene A. McSherry, cousin of the bride, was maid of honor. Richard U. Smith, cousin of the bridegroom, served as best man. Clifton C. Smith, brother of the bridegroom, and Dr. Roland D. Lawver, brother-in-law of the bride, were ushers. Following the ceremony a breakfast was served at the Cross Keys hotel. Mrs. Smith was graduated from New Oxford high school and Ohio Institute, Cleveland. She is employed by Dr. S. A. Kirkpatrick. Mr. Smith attended Delone Catholic high school and is employed by E. J. Breighner, Hanover. After September 24 the couple will be at home at their newly furnished apartment at 1 South Peters street, New Oxford.

**Gebhart—Logan**

Miss Mary Frances Logan, daughter of Mr. and Mrs. Otis E. Logan, Biglerville, became the bride of Charles Edward Gebhart, son of Mr. and Mrs. Leo C. Gebhart, Littlestown R. 2, on Saturday at 10 a.m., in the Presbyterian church. The pastor, the Rev. Clyde R. Brown, performed the double ring ceremony. The couple was attended by Mr. and Mrs. Byron Merry, McKeesport, cousins of the bridegroom. A reception for the couple was held Saturday for 125 guests at the fire hall in Bonneville. The bridegroom is employed at the shoe factory in Littlestown. Mr. and Mrs. Gebhart will reside at the home of the bride's uncle, Charles Pensyl, Biglerville, for the present.

**Fuhrman—Weaver**

Miss Angela Marie Weaver, daughter of Mr. and Mrs. Earl H. Weaver, of 12 Carlisle street, New Oxford, became the bride of Dale Fuhrman, Hanover, Saturday at 9 a.m. at a nuptial high mass, celebrated in the Immaculate Conception Catholic church, New Oxford. The double ring ceremony was performed by the pastor, Rev. Robert D. Hartnett. Mrs. Carl Mahone, sister of the bride, was matron of honor. The bridesmaids were Miss Barbara Bollinger and Miss Barbara Fuhrman, sister of the bridegroom. John Downey, Rockland, Mass., served as best man. The ushers were Carl Mahone, brother-in-law of the bride, and William Sheaffer, McSherrytown. Following the ceremony a reception was held at the home of the bride, after which the newlyweds left on a honeymoon for the Pocono mountains. For her traveling costume the bride chose a navy blue suit with burnt orange accessories. Upon their return the newlyweds will reside at 218 High street, Hanover. The bride is a graduate of Delone Catholic high school with the class of 1947 and is employed in the auditor's office of the Yorktowne hotel, York. The bridegroom, also a graduate of Delone Catholic high school with the class of 1947, is employed by Montgomery Ward and Co.

DEATHS

**James W. Bell**

James W. Bell, 51, Thomasville R. 1, died at the Hanover hospital at 7:15 a.m. Sunday. He had been in ill health for some time. Mr. Bell was a former salesman for the York-Hoover corporation. He was a son of Mrs. Margaret Kelly Bell, Thomasville R. 1, and the late John W. Bell. He was married in November, 1932, to Kathryn Kalbach Bell, who survives. Also surviving are two children, Kitty Lou and Delores Ann. Bell, Pottsville; three sister, Mrs. O. H. # PHILLIES BIDE TIME; RED SOX TRIP DETROIT

(By The Associated Press)

The Philadelphia Phillies must feel these days like the small boy who expects a new bicycle for Christmas.

The whiz kids are reasonably certain of winning the National league pennant—but when, oh when, will it come.

The injury-plagued Phils and the second place Boston Braves rested in the National league pennant scramble yesterday. Boston is seven and a half games out of first.

Tonight, the Phillies' ace right-hander, Robin Roberts, tries to snare his 20th victory of the current campaign, this one at the expense of the Chicago Cubs. If he proves successful, he will be the first Phil hurler to reach the 20-win mark since Grover Cleveland Alexander turned the trick in 1917.

In the red-hot American league pennant race, the talk was all of Kinder, who has been a superb relief hurler for the Boston Red Sox in their drive for the top. Kinder, who saved a game for Mel Parnell on Sunday relieved Rookie Nixon on Monday in the ninth to save another decision as the Sox topped Detroit 3-2 to move into second place with the Tigers falling to third.

**Newhouse Weakens**

Hal Newhouse, who entered the ninth with a 2-1 lead, obviously tired in the final frame. Goodman and Williams singled and Goodman advanced to third on Newhouse's wild pitch. When Williams stole second as Prince Hal wound up, Manager Red Rolfe decided that Newhouse, who had been called upon to pitch for the third time in six days, had had enough.

Out came Newhouse and in stepped Hal White. White intentionally passed Stephens to load the bases. Walt Dropo singled to score Goodman with the tying run. Bobby Doerr flied deep to center to bring home Williams with the winning run.

Boston-Detroit was the only game in the American league yesterday. There weren't too many games in the National, either. Chicago beat Brooklyn, 9-7, and New York routed St. Louis, 13-0.

Ron Northey's pinch-homer with the bases loaded in the seventh ruined Brooklyn and overshadowed a three-homer performance by the Dodgers' Tom Brown.

**Jansen Gets 2-Hitter**

Larry Jansen's two-hit pitching was backed by a 13-hit New York barrage against St. Louis hurling. It was Jansen's fifth whitewash job and his 17th victory against 12 defeats. The win moved the fourth place Giants within a half game of third place Brooklyn.

The magic number in this league is "eight." Eight Philly wins or eight Boston losses or any eight combination, and the National flag will hang high in Philadelphia for the first time in 35 years.

## Tickets Going Fast For Bucknell Game

There are a number of choice reserved seats still remaining in the Gettysburg section of stands for the Bucknell football game at Lewisburg Saturday evening.

Tickets, which sell for \$2 each, may be procured at the college athletic office or the Britcher and Bender drug store, Chambersburg street. General admission tickets for the game are \$1.50.

Prof. C. E. Bilheimer, college athletic director, said today the advance sale of tickets indicates the local squad will have a big following. The college band will also make the trip.

## SOFTBALL LOOP HOLDS ANNUAL DINNER MONDAY

Approximately 100 players, managers, officials and guests attended the annual banquet of the Gettysburg Softball association which was held Monday evening at the Moose home. The Moose, playoff champs, and the Texas Lunch, regular league titlists, were awarded trophies.

Richard A. Brown, president of the Recreation association presided as toastmaster.

Henry T. Bream, head football coach at Gettysburg college, lauded the league for its fine setup and aid in developing the local recreation program. He said that if all nations were as athletically minded as the United States he doubted very much if war conditions would be present as they are today.

Howard Shoemaker, Gettysburg high coach, spoke briefly on the athletic program at high school, pointing out he and Ross Sachs operate without distinction as head and assistant coaches, making decisions jointly. He revealed he has been coaching the linemen with Sachs in charge of the backs.

Another speaker, Donald Joseph, director of the Recreation program, announced he plans to organize a four-team touch football league in the near future and asked for suggestions on what types of recreation are desired. He asked for cooperation in establishing a wide program.

Brown pointed out the advantage of a worth-while recreation organization, stressing the elimination of vice and undesirable situations due to provisions for clean play.

A trophy was presented to Ralph Johnson, manager of the Moose, playoff champions, by Kenneth Knox, co-owner of the Gettysburg News Agency. Glenn L. Bream, sponsor of the Bream garage team, also presented last year's title trophy to Johnson. The regular season championship trophy was presented to Ernie Kranias, sponsor of the Texas Lunch, by Johnny Knox, league president.

Jack Taylor, manager of the Texas Lunch presented a pen and pencil set to Mr. Kranias, on behalf of the members of the Texas Lunch players.

## Interstate League

Hagerstown, Md., Sept. 19 (AP)—The Wilmington Blue Rocks, winners of the Class B Interstate league's 1950 pennant, captured the Governor's cup last night by downing the Hagerstown Braves 6-5 in the fifth and three times in the eighth.

## DELONE MEETS WARRIORS HERE FOR 10TH GAME

Gettysburg high school's football squad, fresh from its hard earned victory over Westminster, buckled down to work Monday in preparation for another grueling game Friday night when Delone Catholic of McSherrystown will be met here.

Friday's contest will mark the 10th meeting between the teams in a series which began in 1939. The Squires have been almost complete masters of the local teams, having won eight of the previous nine contests. The lone Gettysburg victory, a 21-0 decision was gained in 1942. Other games, all Delone triumphs, resulted as follows: 1939, 6-0; 1940, 14-6; 1943, 7-0; 1944, 25-0; 1946, 13-6; 1947, 25-6; 1948, 13-6, and 1949, 28-0.

Delone is expected to be doubly dangerous this week due to last Friday's surprise 20-12 setback at the hands of Hanover.

Coaches Howard Shoemaker and Ross Sachs pointed out blunders Monday which occurred in the opener with the Owls and the squad immediately set to work to correct the errors.

There were many encouraging performances last Friday by Warrior players. Dick Harriel and Bill Heyser turned in fine performances at the wings while Paul Staley and Harold Cleveland played slashing games at tackles. The guard positions were well taken care of by Clyde Cleveland and Bob Sanders. One of the best performances was turned in by "Soapy" Davis at center who was forced out for some time in the second quarter due to a "charley horse." The line substitutes, Richard Carter, Wilbur Small, Jim Skinner and Ray Goodermuth all indicated they will be invaluable during the campaign.

The starting backfield of Bill Williams, Wayne Tonsel, Robert and Dick Miller, although lacking size, were steady performers. Bill Singley, Dale Hoffman, Skip Fisel and Jim Eberhart assured themselves of seeing plenty of backfield action.

## PHILLIES WILL RATION TICKETS

Philadelphia, Sept. 19 (AP)—The Philadelphia Phillies, their first pennant in 35 years virtually in their grasp, Monday announced a precedent-shattering plan for distribution and sale of world series tickets.

Bob Carpenter, president of the National league club, said that single game tickets will be sold and each applicant will be limited to just two of these.

"That way," Carpenter explained, "we'll be giving about 92,000 fans an opportunity to see the world series instead of 23,000. His figure, he explained, was based on a seven-game series—four games of which would be played at the Phils' home park have always sold tickets in strips of three or four tickets.

Major league pennant winners have always sold tickets in strips of three or four tickets.

The first two world series games will be played in the home park of the National league pennant winner. The third, fourth and fifth games in the American league park and the sixth and seventh games, if necessary, in the National league stadium.

Carpenter announced the following prices: Box seats—\$8.75 (\$17.50 for two), reserved seats—\$6.50 (\$13 for two), and bleacher seats—\$1. The postage and registry charge on a single or pair of box or reserve tickets will be 60 cents, he said. Bleacher tickets will be sold only at the park.

## Billy Goodman Has Long Batting Lead

Chicago, Sept. 19 (AP)—Boston's Billy Goodman apparently will be hard to catch in the waning American league batting race. Entering the semi-final week of the campaign, Goodman's .353 gave him a 17-point lead.

Billy faded three points last week, but second-spot George Kell of Detroit dropped four to .341. In third spot by a margin of one point with .334 was Detroit's Hoot Evers, who fell six points after a great 22-point surge the previous week.

Fourth with .333 was Cleveland's Larry Doby followed by two Boston players, Dom DiMaggio and Al Zarilla, bracketed at .330; New York's Hank Bauer, .327; Boston's Walt Dropo, .325; New York's Phil Rizzuto, .323, and New York's Yogi Berra, .316.

## Mountaineers' Grid Outlook Bleak; Open This Saturday

John Law, who is starting his third year as football coach at Mt. St. Mary's college, faces a rugged task in building a capable Mountaineer grid machine for its seven-game schedule which gets underway this Saturday with Shippensburg State Teachers' college at Shippensburg.

Minus five ends, four good backs and an outstanding tackle from last year's squad which won three while losing six, Coach Law is alone with his problems, not a single assistant coach being available.

To fill the big gaps at end Coach Law has shifted Paul O'Connor, a former center, to a wing position and has moved Walt Golymbieski, a former 210-pound fullback, to the other end job.

John Borsuk and Joe Gehsh, tackles, and Don Waterman and Jim Wall, guards, are all experienced at those positions and are probable starters.

If he proves successful, he will be the first Phil hurler to reach the 20-win mark since Grover Cleveland Alexander turned the trick in 1917.

In the red-hot American league pennant race, the talk was all of Kinder, who has been a superb relief hurler for the Boston Red Sox in their drive for the top. Kinder, who saved a game for Mel Parnell on Sunday relieved Rookie Nixon on Monday in the ninth to save another decision as the Sox topped Detroit 3-2 to move into second place with the Tigers falling to third.

**Newhouse Weakens**

Hal Newhouse, who entered the ninth with a 2-1 lead, obviously tired in the final frame. Goodman and Williams singled and Goodman advanced to third on Newhouse's wild pitch. When Williams stole second as Prince Hal wound up, Manager Red Rolfe decided that Newhouse, who had been called upon to pitch for the third time in six days, had had enough.

Out came Newhouse and in stepped Hal White. White intentionally passed Stephens to load the bases. Walt Dropo singled to score Goodman with the tying run. Bobby Doerr fled deep to center to bring home Williams with the winning run.

Boston-Detroit was the only game in the American league yesterday. There weren't too many games in the National, either. Chicago beat Brooklyn, 9-7, and New York routed St. Louis, 13-0.

Ron Northey's pinch-homer with the bases loaded in the seventh ruined Brooklyn and overshadowed a three-homer performance by the Dodgers' Tom Brown.

**Jansen Gets 2-Hitter**

Larry Jansen's two-hit pitching was backed by a 13-hit New York barrage against St. Louis hurling. It was Jansen's fifth whitewash job and his 17th victory against 12 defeats. The win moved the fourth place Giants within a half game of third place Brooklyn.

The magic number in this league is "eight." Eight Philly wins or eight Boston losses or any eight combination, and the National flag will hang high in Philadelphia for the first time in 35 years.

## Tickets Going Fast For Bucknell Game

There are a number of choice reserved seats still remaining in the Gettysburg section of stands for the Bullet-Bucknell football game at Lewisburg Saturday evening.

Tickets, which sell for \$2 each, may be procured at the college athletic office or the Britcher and Bender drug store, Chambersburg street. General admission tickets for the game are \$1.50.

Prof. C. E. Bilheimer, college athletic director, said today the advance sale of tickets indicates the local squad will have a big following. The college band will also make the trip.

## SOFTBALL LOOP HOLDS ANNUAL DINNER MONDAY

Approximately 100 players, managers, officials and guests attended the annual banquet of the Gettysburg Softball association which was held Monday evening at the Moose home. The Moose, playoff champs, and the Texas Lunch, regular league titlists, were awarded trophies.

Richard A. Brown, president of the Recreation association presided as toastmaster.

Henry T. Bream, head football coach at Gettysburg college, lauded the league for its fine setup and aid in developing the local recreation program. He said that if all nations were as athletically minded as the United States he doubted very much if war conditions would be present as they are today.

Howard Shoemaker, Gettysburg high coach, spoke briefly on the athletic program at high school, pointing out he and Ross Sachs operate without distinction as head and assistant coaches, making decisions jointly. He revealed he has been coaching the linemen with Sachs in charge of the backs.

Another speaker, Donald Joseph, director of the Recreation program, announced he plans to organize a four-team touch football league in the near future and asked for suggestions on what types of recreation are desired. He asked for cooperation in establishing a wide program.

Brown pointed out the advantage of a worth-while recreation organization, stressing the elimination of vice and undesirable situations due to provisions for clean play.

A trophy was presented to Ralph Johnson, manager of the Moose, playoff champions, by Kenneth Knox, co-owner of the Gettysburg News Agency. Glenn L. Bream, sponsor of the Bream garage team, also presented last year's title trophy to Johnson. The regular season championship trophy was presented to Ernie Kranias, sponsor of the Texas Lunch, by Johnny Knox, league president.

Jack Taylor, manager of the Texas Lunch presented a pen and pencil set to Mr. Kranias, on behalf of the members of the Texas Lunch players.

## Interstate League

Hagerstown, Md., Sept. 19 (AP)—The Wilmington Blue Rocks, winners of the Class B Interstate league's 1950 pennant, captured the Governor's cup last night by downing the Hagerstown Braves 6-5 in the fifth.

Wilmington scored three runs in the fourth inning, added two more in the fifth and put the winning run over in the sixth. Hagerstown, which eliminated Trenton to enter the final series, tallied twice in the fifth and three times in the eighth.

## DELONE MEETS WARRIORS HERE FOR 10TH GAME

Gettysburg high school's football squad, fresh from its hard earned victory over Westminster, buckled down to work Monday in preparation for another gruelling game Friday night when Delone Catholic of McSherrystown will be met here.

Friday's contest will mark the 10th meeting between the teams in a series which began in 1939. The Squires have been almost complete masters of the local teams, having won eight of the previous nine contests. The lone Gettysburg victory, a 21-0 decision was gained in 1942. Other games, all Delone triumphs, resulted as follows: 1939, 6-0; 1940, 14-6; 1943, 7-0; 1944, 25-0; 1946, 13-6; 1947, 25-6; 1948, 13-6, and 1949, 28-0.

Delone is expected to be doubly dangerous this week due to last Friday's surprise 20-12 setback at the hands of Hanover.

Coaches Howard Shoemaker and Ross Sachs pointed out blunders Monday which occurred in the opener with the Owls and the squad immediately set to work to correct the errors.

There were many encouraging performances last Friday by Warrior players. Dick Harriel and Bill Heyser turned in fine performances at the wings while Paul Staley and Harold Cleveland played slashing games at tackles. The guard positions were well taken care of by Clyde Cleveland and Bob Sanders. One of the best performances was turned in by "Soapy" Davis at center who was forced out for some time in the second quarter due to a "charley horse." The line substitutes, Richard Carter, Wilbur Small, Jim Skinner and Ray Goodermuth all indicated they will be invaluable during the campaign.

The starting backfield of Bill Williams, Wayne Tonsel, Robert and Dick Miller, although lacking size, were steady performers. Bill Singley, Dale Hoffman, Skip Fisel and Jim Eberhart assured themselves of seeing plenty of backfield action.

Another speaker, Donald Joseph, director of the Recreation program, announced he plans to organize a four-team touch football league in the near future and asked for suggestions on what types of recreation are desired. He asked for cooperation in establishing a wide program.

Wilmington scored three runs in the fourth inning, added two more in the fifth and put the winning run over in the sixth. Hagerstown, which eliminated Trenton to enter the final series, tallied twice in the fifth and three times in the eighth.

Leo Cristante—although touched for nine Hagerstown hits—was tight in the clutches as he racked up his fourth victory of the loop's play-offs. He previously had beaten Harrisburg three times in the semi-finals.

## Billy Goodman Has Long Batting Lead

Chicago, Sept. 19 (AP)—Boston's Billy Goodman apparently will be hard to catch in the waning American league batting race. Entering the semi-final week of the campaign, Goodman's .353 gave him a 17-point lead.

Billy faded three points last week but second-spot George Kell of Detroit dropped four to .341. In third spot by a margin of one point with .334 was Detroit's Hoot Evers, who fell six points after a great 22-point surge the previous week.

Fourth with .333 was Cleveland's Larry Doby followed by two Boston players, Dom DiMaggio and Al Zarilla, bracketed at .330. New York's Hank Bauer, .327; Boston's Phil Dropo, .325; and New York's Phil Rizzuto, .323, and New York's Yogi Berra, .316.

## Mountaineers' Grid Outlook Bleak; Open This Saturday

John Law, who is starting his third year as football coach at Mt. St. Mary's college, faces a rugged task in building a capable Mountaineer grid machine for its seven-game schedule which gets underway this Saturday with Shippensburg State Teachers' college at Shippensburg.

Minus five ends, four good backs and an outstanding tackle from last year's squad which won three while losing six, Coach Law is alone with his problems, not a single assistant coach being available.

To fill the big gaps at end Coach Law has shifted Paul O'Connor, a former center, to a wing position and has moved Walt Golymbieski, a former 210-pound fullback, to the other end job.

John Borsuk and Joe Gelish, tackles, and Don Waterman and Jim Wall, guards, are all experienced at those positions and are probable starters.

Larry Trout, center, and Phil

Waterman, fullback, are co-captains of the team.

Martin Green, who missed much of last year's play due to injuries, has the inside track on the quarterback slot. Jack Lawrence is pressing him for the post. Other leading backfield candidates include Tom McLachlan, Chuck Morganthaler, Jim Adams, Ed Ward, Herky Dawes, Bill Finch and Paul Cullum.

Prominent among line candidates are Ed Stansky, center; Ted Kachowski, guard; Kevin Mullen and Pat MacAuliffe, tackles, and Bob Stanchie and John Foge, ends.

The complete schedule is: September 23, Shippensburg, away; 30, Lebanon Valley, away; October 7, Western Maryland, home; 14, Waynesburg, home; 23, Catholic university, home; November 4, St. Francis, home; 18, Arnold, away.

DR. WENTZ SAYS

(Continued from Page 1)  
the "Bolshevik." When the Korean war broke out, all were fearful that the Russians would move across Germany like a hot knife through butter. The Germans speak of it with a tone of fatalism, feeling that that is nothing they can do about it, that they are left defenseless. The fear is at its worst among the ten millions—increased by 1,000 more a day, who have fled from Russian occupied areas. They feel that the world will come to an end for them when the "Bolsheviks," as they call the Russians, catch up with them.

"When I left here I felt that possibly the reports we are getting about the Russians and their activities were somewhat overdrawn. But now I know that we are not getting the real truth. The worst you hear is not up to the facts.

**Americans Ready To Flee**  
"American civilians in Germany are ready to flee on 60 seconds notice. They are not afraid to die, if the Russians come, but they do not want to be tortured.

"There is also a cultural problem in Germany. Most of the leaders of Germany today have no higher idea than to get back to the conditions which they call normal, the pre-Hitler, pre-1933 period. This shows a lack of vision on their part. Most have no slightest idea of social problems. In churchwork, many have no idea of using laymen, or of getting ideas from them.

"But Germany is also a land of growing hopes. A large measure of economic recovery has occurred. In the two years since I was there last there has been a tremendous change.

"Much of the change for the better, economically, has been a result of the Marshall Plan and the Germans know it. There are people in Germany, who say 'Americans go home,' but the intelligent people, at least, compare their lot with those of their relatives on the Russian side and realize how fortunate they have been and what has been done to aid them.

**Conditions Improving**  
The Germans are being granted more freedom in expressing themselves and in carrying out their policies for themselves." Doctor Wentz noted. He termed U. S. Commissioner McCoy "a most wise commissioner for Germany."

Germans are dressing and eating as they used to and the transportation system today is equal to that of 12 to 15 years ago, Doctor Wentz noted. "Prices are high but conditions are improving greatly. Rebuilding activities are still good. In many places all evidence of the bombing during the war has been removed and new structures constructed. If the Germans could be left alone for 10 years there would be no evidence of the recent war.

"The most hopeful thing is that the Germans are casting off some of the old traditions. Scientific and religious leaders are comparing ideas and methods. And most important of all, there is a growing idea of responsibility for society. As an example the film and religious leaders gathered recently to discuss that problem of responsibility, in their case the responsibility of film makers to society for morals and culture. It was a thing that has never occurred, even here."

FR. LOSZEWSKI TO GO THURSDAY

The Rev. Chester T. Loszewski, who has served as administrator at Paradise Rectory, near Abbotstown, for the past four years, has been recalled to military service the end of this month as a chaplain with the 28th Division.

Father Loszewski, who holds the rank of major, will leave the rectory on Thursday, and after spending some time at his home in Ranshaw, Pa., will report to Camp Atterbury, Ind., where the division is presently stationed.

A veteran of World War II, Father Loszewski served in Africa and Italy during his four years of service.

Rev. Francis L. Mignot, assistant pastor of the Assumption of the Blessed Virgin Mary parish, Lancaster, has been named to succeed Father Loszewski as administrator at the rectory. Father Mignot, who assumed his new duties today, is a former assistant pastor of St. Patrick's Catholic church, York, where he served for several years. He was transferred to the Lancaster church on May 28, 1948.

## Today's Talk

By GEORGE MATTHEW ADAMS

THEY'LL TALK ANYWAY!

During the life of the late Elbert Hubbard I used to love periodic visits to his East Aurora Roycroft Inn. There was an atmosphere of peace and culture about it. I loved to talk with the interesting guests and handle the books he produced, so beautifully bound, as well as printed.

Hanging from the beams of the Inn were mottoes, some of a unique character. One said: "They will talk anyway!" I did a great deal of thinking over that one. I interpreted it as meaning that no matter what we do there will always be those who will criticize, or find fault with what we do or say, and so to pay no attention, but go about one's work as though no one had said anything. A wise motto to keep in mind.

Did you ever take note of a big dog going his way along a street, but with little dogs following and barking at his heels, as though to impress their importance on the big dog? And have you noted that the big dog paid no attention, just went his way regardless of the snaps? They will talk anyway, said the motto, so why worry?

Each of us has a life to live. Each of us has a program and an objective in life, or should have. To pursue them happily and with satisfaction, we must bear our own responsibilities, keep faith with ourselves, be considerate of others, but waver not at all because of adverse criticism or evil gossip. They will talk anyway, but they will talk less if we pay no attention to them.

The conduct of each one of us is a personal matter. Who are we to judge another? And by what authority does anyone else judge any of us? We pay most of ourselves for any deviation from the natural rules of our own lives. We are always accountable first of all to ourselves. This fact should screen from our notice all outside talk meant to disturb the even tenor of our lives. They will talk anyway. Let them talk! "To thine own self be true," said the wise Shakespeare, "and it must follow as the night the day, thou canst not then be false to any man."

Tomorrow Mr. Adams will talk on the subject: "What! No Books?"

He even turned away from God; said prayer for aid was never heeded.

That always he had been denied the happiness for which he'd pleaded.

A blind man stopped him on the street and asked for aid to cross the highway.

"Of course," said he, and took his arm. "It's possible you're going my way."

To what of hurt he had to bear he found himself a more resigned man.

His did not seem the sort of woes to grumble over to a blind man.

And as they walked along, it seemed that suddenly his skies were clearing.

The pity for himself he'd had he found was strangely disappearing.

He thought: "This blind man still can smile; has never let affliction tell him."

That I had lost my faith in God I'd really be ashamed to tell him."

## A FEW THINGS GREED COULD DO IN AMERICA

By JAMES MARLOW

Washington, Sept. 19 (AP)—Americans have a good chance to prove the Communists are right. It will be ironic if they do.

The Russian Communist leaders take a pretty dim view of the instincts in mankind. For instance, selfishness.

They don't trust people to curb their own selfishness and, by reasonable and fair conduct with one another, keep the economy intact. So the Communist leadership imposes iron controls on all phases of living, including prices, wages, ownership of property, and so on.

By their control of prices and wages, for example, they can limit the ability of the people to buy or hoard goods or food.

The American Theory

The theory behind the American government is that people by themselves can act reasonably and fairly, curbing their greed without government interference and, in this reasonable way, keep the economy intact.

Since this government represents all the people—and is really all the people—when it does interfere, it's supposed to do so for the general welfare and to protect the majority against some minority unfairness.

This American hatred for government interference is the basis of the people's freedom. And this country now is involved in a struggle with communism to keep it from winning and swallowing up the freedom.

The struggle grows more intense and may wind up in a world war in which communism or freedom will win, but not both. To be ready for the showdown if it comes, this country is re-arming. Which means, as President Truman said, things will be different.

Too Soon To Say

As more materials go into armament, there'll be less left for the luxuries and gadgets which people could buy so freely until now. Mean-

while, getting ready for the worst in human nature, the government has created a new OPA, called the Economic Stabilization Agency. This agency will have the job of controlling prices and wages and rationing, too—if such controls become necessary.

And the President has made W. Stuart Symington the nation's mobilization chief. His job is to coordinate all defense activities of civilian agencies. One of those activities is to see that plants doing defense work get the materials they need, even if other businesses have to do without.

It is too soon to say—unless there is a great emergency—whether any goods will become scarce enough to pinch anyone. They may. And therein lies the challenge to the people of this country:

Will they let greed and selfishness

get the better of them? Will they start hoarding and buying more than they need? Will businessmen take advantage of shortages to hike prices unnecessarily or try to hoard scarce materials?

If they do, the government will slap on controls, and the greater the greed, the wider the controls, getting tougher. It will mean wide controls to prevent the people from wrecking their own economy.

It certainly would be ironic if Americans, prizing freedom and struggling to preserve it, meanwhile let their greed produce a victory for the thing they're fighting.

It also would be ironic if, hating government controls, they brought those controls on themselves by failing to act reasonably.

The feeds are believed to have a bearing on watermelons' flavor.

## Urges UN To Keep Initiative In Korea

Anolio, Pa., Sept. 19 (AP)—U.S. Senator Francis J. Myers (D.-Pa.) called upon the United Nations General Assembly today to "keep the initiative" in the Korean situation.

The Pennsylvania Senator, assistant majority leader of the U.S. Senate, said in a re-election campaign speech: "We are in Korea because we take our U.N. commitments seriously and because the Republic of South Korea was established as a nation under our sponsorship but within the U.N."

"Now that the Communists have been stopped in their tracks, now that the forces of freedom are advancing toward the 38th parallel, the U.N. must meet the challenge by developing an effective political set-

tlement to augment the impending military victory. In that way the U.N. and the free world will keep the initiative."

Laurester, Pa., Sept. 19 (AP)—Harold Adams, vice president of the Lancaster County National bank and former president of the Northern Bank and Trust Co., Lancaster, is dead at 50. Adams died Sunday night.

Local Miscellany: L. M. Alleman has bought from W. G. Koller of Glen Rock, a locomotive, one of the car load Mr. Koller bought from a factory in Connecticut. Mr. Alleman is the first man in Adams county to own such a machine. It is quite a curiosity and is looked at by hundreds of people.

The Battlefield Commission has awarded the contract for building two miles of Telfordized avenue on Seminary Ridge to M. and T. E. Farrell. This avenue will extend from General Collis' house on the Confederate avenue along the ridge to the intersection of the Confederate avenue and the Bull Frog road.

On Monday there were over 3500 colored people from Baltimore in town. They came on an excursion run under the auspices of the colored posts of the G. A. R. of Baltimore. A band accompanied the party.

The first meeting of the American club for the 1900-01 season will be held in the lecture room of the Presbyterian church on Thursday evening, October 4th.

The new battlefield avenue leading from E. Middle street to Culp's Hill will be completed by the first week in October.

Dr. E. D. Hudson last week bought the Jacob Heagy property on the Taneytown road, near town, for \$650. The water company has erected a new wind pump over the third artesian well, at the reservoir on Cemetery Hill. They intend to sink another well shortly.

Last Tuesday the County Commissioners appointed Morris C. Fox Assessor of the First Ward of Gettysburg, vice J. Aughinbaugh, resigned.

While workmen were digging a post hole near the Snyder place just west of Round Top, they unearthed a skeleton of an Union soldier.

Next Wednesday evening there will be a "watermelon festival" at Dr. B. Biggs, corner Washington and High streets, for the benefit of Asbury M. E. church.

Marriages: Arentz-Herr Sept. 13, at the Mountjoy parsonage, by Rev. W. G. Minnick, Wm. C. Arentz, of Mountjoy township, to Miss Fannie M. Herr, of Carroll county, Maryland.

Wills-Schriver—October, 13, 1899, at Camden, N. J., by Rev. J. C. Heister, John R. Wills, to Miss Catherine Schriver, both of this place.

Pleasant September Dance: The first dance of the fall season was given by a committee of young men of town consisting of Charles Duncan, Esq., Dr. C. LeRoy Hartman, P. C. Pugh and John D. Keith, in Xavier Hall last Friday evening. The patronesses were Mrs. Charles S. Duncan, Mrs. Jennie Croll, Mrs. Charles Huber and Mrs. Oscar G. Klingor. . . . Elegant refreshments were served. Frolic's orchestra, of Harrisburg, furnished the music.

Seminary Opened: The Lutheran Theological Seminary in this place, opened yesterday morning. There are forty-nine students in the three classes.

It certainly would be ironic if

Americans, prizing freedom and

struggling to preserve it, meanwhile

let their greed produce a victory

for the thing they're fighting.

It also would be ironic if, hating

government controls, they brought

those controls on themselves by fail-

ing to act reasonably.

**SCOUTS ENJOY**  
**28-MILE HIKE**

Eleven Boy Scouts and their leader, George Dittow, enjoyed a 28-mile Appalachian Trail hike over the week-end, beginning at 9 a.m. Saturday and ending at 4 p.m. on Sunday. They were taken to Swatara Gap by Garnet E. Schellhaas and Clyde Harner, who drove Luther D. Snyder's car. Before starting the hike at that point, they toured the Indian Gap Military Reservation. The boys who made the trip were Robert Koutz, Dean Sell, Edwin Lippy, Thomas Bucher, John Jacobs, Howard Dodder, Gary Wallman, Paul Barnes, William Benner and George King.

The group hiked from Swatara Gap to Indian Gap over the part of the trail which had been closed during the summer. They had lunch at Indian Gap and proceeded to Manada Gap, a second section, which had been closed, covering a distance of 14 miles. Wilbur E. Mackley took the scout's equipment by truck to this point and they camped at a C.C.C. camp site at the Gap. The boys prepared their own meals throughout the trip and on Saturday night enjoyed songs and stories around the campfire.

Sunday morning they broke camp and Mr. Mackley returned their equipment to town. His son, Richard Mackley, had accompanied him and camped with the boys over night.

The second day's hike began at 9 o'clock and took the group from Manada Gap to the Linglestown Rocks where they had dinner. The

of this area. A committee arranging for this meeting consists of David Nitzmer, the Rev. Nevin E. Smith, Mrs. Herbert Jordan and the Rev. William Banks, all of Hanover.

**Announce Youth Rally**  
Congratulations of the ministerium were extended to the Rev. Charles B. Rebert, Littlestown, who, with Mrs. Rebert, celebrated their 50th wedding anniversary on September 12.

The Rev. William Banks, Youth Cabinet advisor of Mercersburg Synod, announced that there will be a synodical youth rally Sunday afternoon and evening, October 15, at Zion Reformed church, York. The Rev. Arthur Grove, pastor, Dr. David Dunn, professor of church history, Lancaster Theological seminary, will be the speaker and the theme of the rally will be "Jesus Christ, Teacher and Lord of Youth."

"Sermon Illustrations" was the theme of the paper presented by the Rev. Archie C. Rohrbach, New Oxford, which was followed by a general discussion. Refreshments were served at the close of the meeting by the Rev. and Mrs. Sheely. Closing devotions were conducted by the Rev. William Jay, Bendersville.

The next meeting will be held Monday, October 16, at the home of the Rev. Dr. Howard Schley Fox, Gettysburg, with the paper to be presented by the Rev. Franklin Glassmoyer, Spring Grove. Those present at the meeting were the Rev. Nevin R. Frantz, Gettysburg; the Rev. Dr. H. S. Fox, Gettysburg; the Rev. William Banks, H. E. Sheely, J. H. Ehlers and Dr. A. C. Renoll, Hanover; the Rev. A. C. Rohrbach, New Oxford; the Rev. Alton Leister, East Berlin; the Rev. Thomas Burns, Jr., Fairfield; the Rev. Mark Wagner, Hagerstown; the Rev. William Jay, Bendersville; the Rev. Franklin Glassmoyer, Spring Grove, and the Revs. C. B. Rebert and John C. Brumbach, Littlestown.

**RADIO**  
New York, Sept. 19 (AP)—Television, extremely busy lately getting prettied up for an ambitious fall season, is offering new shows one right after the other. Reactions to some of these:

1—Don McNeill's switch into TV turned out to be primarily a transplanting of his morning radio Breakfast Club, which he is continuing five times a week, into a nighttime video venture. Both are ABC. How successful the new one will become depends largely upon future programs.

2—Don Ameche, radio-trained movie veteran, has taken over the returning Holiday Hotel on ABC-TV, the vehicle of Edward Everett Horton in his video debut last season.

3—Ralph Edwards with Truth or Consequences visual show on Thursday nights is separate from his radio

was introduced as a new member of the Lions club.

Club guests presented during the evening included J. B. Wineman of Bartow, Fla.; George Francis, Red Bank, N. J.; the Rev. Henry B. Reilly, new Methodist pastor and Charles Orndorff, of Gettysburg.

Meetings of the music, program, greeters and convention committees were held after the club session. Next week Lions and their ladies will go to Allenberry for dinner and a play.

Rogers Herr, junior high coach; John Yovickin, associate grid coach at the college; Jack Shainline, line coach; Clyde Cole, frosh coach, and Romeo Capozzi, trainer, were introduced.

Speaking of the college grid prospects, "Hen" Bream said he expects the team to give "a very good account of itself." He did not predict an undefeated season but said Bucknell, Lehigh, Muhlenburg and Franklin and Marshall have stronger squads than last year.
